2.2 In the case of courses that require applications rather than registrations, the payment of any sums intended to be in respect of Fees by or on behalf of the Participant does not in itself indicate the existence of a contract between the facilitator and the participant. In that case the contract shall only come into being when the facilitator has issued notification of acceptance of the participant upon a Course.

2.3 Payment of fees by a person or organisation other than the participant does not constitute a contract for the provision of a Course between such person or organisation and the facilitator.

3. Fees and Payment

3.1 If you wish and you accept these Terms and Conditions, you (or a third party paying fees on your behalf) may pay the fees now, within this website, by following the Paypal link. If you choose not to pay now, the enrolment cannot be accepted online. Through applying for a Course applicants are deemed to have accepted the Terms and Conditions.

3.2 It is the participant's responsibility to ensure that the facilitator's fees in respect of the Course (as stated on the website and in other course publicity) and all other fees and expenses relating to the Course are paid by the deadline notified. The Facilitator reserves the right to refuse admission to any participant who has not paid all Fees in full or sign up for the monthly payment plan before the course starts.
